Objective of the workshop/seminar/activity: Create awareness about Gender Champion Club and develop understanding about various gender issues.

Summary/Description (max 500 words):

Gender Champion Club, IIS (Deemed to be University) organized an interactive live session on the 24th of December , 2021 . The Gender Champions placed the flyers of Gender Club on various notice boards to create awareness about the club. They interacted with the students of University and addressed issues like Striking Balance between Masculine and Feminine, Gender Inequality and empowerment of society with freedom, responsibility and accountability.

The fundamental aim of this live interaction was to create awareness on various gender issues including legislation , Government schemes and Court rulings. It was also planned to discuss the action plan to undertake innovative activities with the students of University. The Gender Champions also shared contact details, email id and instagram id of Gender Cell for reaching them out for any help and support.

Towards the end of the session the Gender Champions conveyed thanks to the students for active participation.

Outcome of the activity/event/seminar/workshop: The session was successful in creating awareness among the students about Gender Champion Club .
