Thank you Bash

Panache

2017

The new entrants of The IIS University organized a Thank you bash – Panache 2017 on 01st September 2017 in order to thank the seniors for the enthusiastic and overwhelming fresher's party. The program commenced with Ganesh Stuti. Thereafter, juniors showcased an alluring performance showcasing our very own 'Rang-Rangilo-Mharo Rajasthan'. The atmosphere turned Sufiana with the performance on sufi songs Maula....Lagan Lagi tujhse mann ki lagan...and Rangreza... The nightingales of the university refreshed and energized the seniors with their performance on songs including Chookar Mere Mann Ko...Mileyaa...Mileyaa...Ilahi, Love You Zindagi and Shalalala.... that mesmerized the audience. Belle Dancing on Rashq-E-Kamar has certainly raised the bar of this cultural event. Finally the investiture ceremony was solemnized to appoint office bearers of the university for the session 2017-18. Divisha Agarwal (UG) and Yasha Singh (PG), the appointed Head Girls of the university and the other office bearers selected for coveted posts promised to uphold the prestige of their institution and shoulder their responsibilities earnestly.

A TRIP TO THE SCIENCE PARK

An absorbing trip to the Science Park, Jaipur was organized by the Department of Physics On 29th August 2017 to inculcate attitude and thinking by encouraging curiosity. About 38 students of B.Sc. Physics along with the two faculty members witnessed the innovative models on optics, sound, electromagnetism, static electricity, electronics, mirrors, optical illusion, etc and experienced the process of 3D optics. The indoor IT Gallery, Portable Planetarium (Taramandal) & High Capacity Telescope were also paid a visit by the enthusiastic batch of students.

HORSE-RIDING AS A SKILL

The autodidact IISU Theatrical Society is a rigorous experimentalist and as delving into a new skill they went to the Horse Riding School to be trained under the supervision of professionals on 6th September 2017. Their new companions this time were epic historical riders Razia, Angel, Jacqline and Chota Chetak who made the journey of learning a fun. In groups of 4, each student was given 10 minutes ride accompanied by the hardworking trainers. This trip helped the students in preparing the team for play on large scale.

A Video Conferencing on “Nanotechnology : Scanning Probe Microscopy (SPMs)”

A Video conferencing on the topic “Nanotechnology: Scanning Probe Microscopy (SPMs)” with i2n Technologies, IISc Bangalore was conducted on 23rd August 2017. The proficient speaker Mr. Sajid Khan, discussed about the new technology AFM / STM Glider Kit, Combined module, NAMMA STM and explained that the kit can be used for Customized Nanotechnology tutorials for teaching aid and Faculty training. He further elaborated about the Hardware, Software, Electronics, Imaging and spectroscopic modes of the instrument. In the concluding part, he talked about the benefits of the less sophisticated system with an open architecture of the instrument.

Guest Lecture “BE THE CHANGE YOU WANT TO SEE IN THE WORLD”

The Department of HRM & IB, The IIS University, conducted a Guest lecture on “BE THE CHANGE YOU WANT TO SEE IN THE WORLD”, on 11th August 2017. The Resource person, Ms. Mrinalika Rathore, Team Leader, Sashaktikaran foundation, emphasized on educating the children from underprivileged sections of the society as to evolve capabilities in them, to stand by their selves. She asserted the view 'Sashaktikaran aims to transform one school at a time into a living system of learning where everyone involved with the school tries to learn and enhance his/her the capabilities to ensure an empowering education to children in school'. She shared the role of youth in bringing about a change in the societal norms by encoding several examples which she experienced herself in “TEACH FOR INDIA” like a clerk's daughter became professional dancer and many such beautiful examples which inspired us a lot. We all realized there is lot of potential in our society and there is so much to be done with lot of hope and courage.

AN INDUSTRIAL VISIT

The world's largest integrated branded jewellery manufacturer-retailer Gitanjali jewels , an owner of ace jewellery brands in the country including Gili, Nakshatra, Asmi, Sangini, Nizam and Parineeta, Gili and Nakshatra, was paid a visit by the students of Jewellery Design & technology, the IIS University on 22nd July, 2017, to familiarize them with the machinery and various practical operations involved in the manufacturing of Jewellery. Mr Vikram, Production Manager, discussed the manufacturing process of Kundan Meena Jewellery as a unique technique of making jewelry by encrusting gold with precious and semi-precious stones (Kundan work) on one side and the art of colorful enamel work (Meenakari) on the reverse side, with a special emphasis on the process of Ghadayi Khudayi Meenakari and Jadayi. The tutelage concluded with a formal discourse on upcoming technologies in jewellery industry and the wishes for a lucrative career.
