

WORDS OF WISDOM

Our so often neglected prudence and altruisms were resurrected to life by immensely uplifting motivational talk by the multilingual poet and writer Mr. Mohan Palesha. The interaction organized by The IIS University on 20th August 2016 at the IIS Auditorium left a lasting impression on the minds of the entire IIS family, comprising 600 teaching and non-teaching staff members, to the awareness that life is precious, that it should be bigger in its all-encompassing aspects rather than being just long, so that every moment lived is as if it is one's last and the true happiness is in disseminating of happiness among others. The imagery sculpted by the poetic assemblage of words and of excellent shayaris, left everyone in such a spellbind mood as to be almost cathartic in its effect.
