## Action Taken & Compliance Report

The IQAC of the University submitted the above-compiled information to Dean, Academics, for perusal and subsequent action by taking up the analysis with the respective Discipline Heads for further action and implementation. The Heads' response is required to be submitted back to the IQAC by way of a Compliance Report, given as under:

### FACULTY OF ARTS & SOCIAL SCIENCE

Department	Action Taken	Compliance
<b>Economics</b>	More e-resources should be provided	<ul style="list-style-type: none"> <li>• More of Power point presentation, audios, videos, case studies and quiz will be shared with the students.</li> <li>• More of e-notes and exercise modules will also be made available to the students.</li> <li>• E-books and E-journals will be advised to students.</li> <li>• Links of Webinars and various online sessions and conferences will also be provided to the students.</li> </ul>
	Campus placements should be provided for economics as well.	<ul style="list-style-type: none"> <li>• There will be a presentation regarding the working and achievements of the placement cell in the beginning of every semester for all classes.</li> <li>• Students will be informed about companies visiting the campus for placements from time to time.</li> <li>• Students will be informed about events like (HR Conclave_ annual event) which are organized by the placement committee of the university.</li> </ul>
	Visits relevant to the course should be organized	<ul style="list-style-type: none"> <li>• Visits relevant to the course like visit to RBI, Jaipur office; visit to SEBI Regional Office, Jaipur and visit to Barefoot College, Tilonia have been organized for UG and PG students of the department in the past, in order to acquaint the students to the role and working of</li> </ul>

		<p>these institutions.</p> <ul style="list-style-type: none"> <li>• However more visits can be planned to industries, dairies and manufacturing units in order to give them a hands on knowledge about the functioning of these units.</li> </ul>
<b>Fashion and Textile Technology</b>	More practical papers should be provided	<ul style="list-style-type: none"> <li>• Weightage of Practical papers is more compared to Theory papers.</li> </ul>
	Industrial visits should be conducted more frequently	<ul style="list-style-type: none"> <li>• Every year 3-4 visits are planned for the students.</li> <li>• On regular basis number of activities such as Workshops, Guest Lectures and Demonstrations are also organized. As per suggestion we can plan more visits once situation is normal.</li> </ul>
	There should be smart classrooms for better understanding	<ul style="list-style-type: none"> <li>• I agree with the suggestion received as the demand of course requires smart class room. We had requested and moved a note sheet to install LCD in A 404 , but it was not installed even after constant reminders as most of the Faculty members make use of power point presentation and Visualizers.</li> <li>• Request for LCD has been made.</li> </ul>
<b>Fine Arts</b>	To include Software skills in the curriculum	<ul style="list-style-type: none"> <li>• It has been decided that the students will be taught Creative Software like Photoshop, Coreldraw, Illustrator etc. by the subject teacher free of cost in the University. Further these will be included in the curriculum as a paper after the approval in the Board of Studies of 2021</li> </ul>
	Institute must provide basic material to the students	<ul style="list-style-type: none"> <li>• The university already provides the basic material to the students regularly like clay, wires, cloth, boards, Induction, potter's wheel, stone cutters, Furnace, linoleum-</li> </ul>

All the creative art work produced by the students using the above materials are retained by them and not by the department.</p>
<b>French</b>	<p>"Make the course more student-friendly as a few find it difficult."</p>	<p>Despite a truncated academic semester which actually demands faster teaching (thus the opposite), here is the plan....:</p> <ul style="list-style-type: none"> <li>• For debutants : Make slower progress through the rudiments of French and ensure smoother arrival at the threshold level,</li> <li>• For mid-level groups :Practise the "ripple/second wave" technique wherein after teaching every advanced topic one earlier lesson is revised, thus allowing them the time to consolidate their knowledge and stabilize the speedboat,</li> <li>• For advanced levels : There can be no compromise on the syllabi and the complexity of some of the topics (e.g. symbolist poetry, whirlpools of history, philosophical movements etc.) but students of 3-year courses have always been and will be prepared to appreciate the terrain and topography better as they continue their journey.</li> </ul>
<b>German</b>	<p>Suggested to include more oral practical in the curriculum</p>	<ul style="list-style-type: none"> <li>• In order to enable the students to develop their speaking skills in German in a better way, our department shall increase the time for the role plays, so that students can get more oral practice</li> </ul>

<b>History</b>	Classes should be made more interactive	<ul style="list-style-type: none"> <li>• Already there is a lot of interaction with the students in the class, we also screen documentaries and Films and use student friendly pedagogies for teaching like PPTs, organise Group Discussions, JAM sessions and class presentations.</li> <li>• We will incorporate more.</li> </ul>
	Tours should be organized	<ul style="list-style-type: none"> <li>• We plan for the tours and get quotations from the Tour Agents but the number of takers of the tour fizzles out when the students have to pay.</li> </ul>
<b>Jewellery Designing</b>	Few suggestions were to include more practical work.	<ul style="list-style-type: none"> <li>• As per curriculum structure we are already conducting lot of practical classes so we cannot add more practical papers but We will try to provide More field visit, workshops and guest lectures to the students</li> </ul>
	Students also suggested for better infrastructure and lab.	<ul style="list-style-type: none"> <li>• Talked to senior authorities: More infrastructure and lab facilities will be provided as per students strength.</li> </ul>
<b>Journalism and Mass Communication</b>	Time for Practical	<ul style="list-style-type: none"> <li>• Extra Classes will be allocated for the conduction of Practical work specially editing, designing and production.</li> <li>• Special workshops, webinars and e-workshops will be organized for the students of both undergraduate and post graduate.</li> <li>• Special guest lectures based on practical papers through online modes will be conducted for the students</li> </ul>
	Students suggested for more placements and internships.	<ul style="list-style-type: none"> <li>• Special training workshop will be conducted for the students to face interviews.</li> <li>• Segregation of students will be done according to their area of interest and special provisions will be made for their internship.</li> </ul>

	Field visits	<ul style="list-style-type: none"> <li>The department will conduct field visits to various print media ventures, visit to AIR and Television channels in and around Jaipur, Noida. The visit will be conducted after the lockdown is over.</li> </ul>
	SMART CLASSES	<ul style="list-style-type: none"> <li>The teachers of the department are developing Power point presentations, special and innovative usage of applications will be used by the teachers to deliver the lectures through online modes.</li> </ul>
<b>Political Science</b>	To incorporate more visits to Parliament and State Legislature	<p>In this regard, the following points are highlighted by the Department.</p> <ul style="list-style-type: none"> <li>The Department has so far conducted such visits twice which were well received by the students.</li> <li>Although we get all necessary support and encouragement from the University to conduct such visits, it is still not an easy task as these are the highest legislative organisations of the country and require many formalities related to security and other issues.</li> <li>The sessions of these assemblies sometimes coincide with the examination schedules in the University which limits our attempts to conduct such visits.</li> <li>The Department, despite these constraints, has been more than willing to conduct such visits. One such attempt was made at the beginning of this session also which could not materialise and the programme is postponed until the next session of the Assembly.</li> </ul>
	More practical approach should be involved	<ul style="list-style-type: none"> <li>The practical approach is reflected in the Project component where the students are supposed to undertake studies based on the real life events happening in the</li> </ul>

	Current affairs should also be included in the curriculum	<ul style="list-style-type: none"> <li>By its very nature, Political Science is a current affairs based subject. To make the students more inclined towards the current affairs, more activities like quizzes based on current affairs will be organized.</li> </ul>
<b>Public Administration</b>	More trips should be organized.	<ul style="list-style-type: none"> <li>Trip was organized in the even semester of the session 2019-20, to a village to acquaint students with actual working and framework of Panchayat Samiti.</li> <li>Trip was organized for sem VI students on 29<sup>th</sup> February, 2020 to Ganwar Brahmana Village.</li> <li>The department shall in future arrange for more such trips for the students to have an actual understanding of the administrative aspects of the Government.</li> </ul>
<b>Psychology</b>	Field visits should be organized.	<ul style="list-style-type: none"> <li>Efforts will be made to organize field visits at least once in every two months</li> </ul>
	Few interactive activities can also be taken up in the department for further enrichment of student's awareness and performance.	<ul style="list-style-type: none"> <li>Pedagogy has already been modified to make teaching-learning more students centric. More efforts will be made to encourage greater interactive activities like group discussions, role plays, cooperative learning, peer evaluations, etc</li> </ul>
<b>Public Administration</b>	Online study material should be provided	<ul style="list-style-type: none"> <li>The online study materials were provided to students through Metacampus and Google Classroom with assignments. The web links for selected topics were shared in the class.</li> <li>The department in future will work towards providing the students with the e-content and online learning modules.</li> </ul>

<b>Accounting and Taxation</b>	Use updated modules and digital means of teaching.	<ul style="list-style-type: none"> <li>The course is revised every year by ICSI and ICAI with some minor changes, additions and deletions every time. The department revises syllabus every year as per ICAI and ICSI recommendations and procures required modules also. As per suggestions received from the students now we will try to procure more set of modules.</li> </ul>
	Professional students suggested to reduce the formalities of assignments and activities. They need more time for internships and others.	<ul style="list-style-type: none"> <li>As the curriculum in the department mainly comprises of numerical papers, hence numerical questions are given to the students to be practised in the class as well as at home. As regards home assignments, these</li> <li>are part of the Internal assessment. Hence given to students accordingly. We will consider the volume of assignments.</li> <li>As regards departmental activities, only 3 to 4 activities are conducted per semester. As regards class activity, faculty members can be communicated to restrict the number.</li> </ul>
	More new teaching learning aid must be used by the faculties.	<ul style="list-style-type: none"> <li>During lock down several faculty members have attended the workshops for digital teaching</li> </ul>

	Extra-curricular activities should be curtailed.	<ul style="list-style-type: none"> <li>• The Department cannot take a decision in this regard. The same has been reported to the Dean, Faculty of Science.</li> </ul>
<b>Chemistry</b>	Chemistry lab should be more managed. It is not easily accessible for the practical classes.	<ul style="list-style-type: none"> <li>• Chemistry labs are quite managed with sufficient chemicals and glasswares . The problem which has been raised might be due to the strength of students in a batch. Huge number also gives the feeling of mismanagement but it is not the case. Actually, we need one more lab for UG classes to reduce the strength of students in a batch.</li> </ul>
	Biochemistry lab should not be allotted for practical classes as chemicals are not sufficiently available.	<ul style="list-style-type: none"> <li>• Just to reduce the number of students in a batch, we allotted our practicals in Biochemistry lab with the desired chemicals and glasswares. Definitely, that lab doesn't look as rich as a usual chemistry lab. Looking at student's request, we will avoid using Biochemistry lab but again the practical batches will be having more number of students.</li> </ul>
	More elective combination for Maths section of B.Sc.-B.Ed.	<ul style="list-style-type: none"> <li>• University can take care of this issue .</li> </ul>
	More extra-curricular activities/field visits should be organized.	<ul style="list-style-type: none"> <li>• Definitely, we will work on this issue and would like to plan extra-curricular activities multiple times in a year. As far as field visits are concerned, one visit is always organized free of cost, however, for more visits, collection from the students is required and it is our past experience that they were never willing to contribute even the smallest amount and hence the programme could not be successful.</li> </ul>

### COMPLIANCE REPORT

Department	Compliance
<b>Accounting and Taxation</b>	<ul style="list-style-type: none"> <li>• The department has already initiated the process of upgrading the tally software for which the note sheet has been approved.</li> <li>• Number of industrial /field visits shall be increased and incorporated in the departmental activity calendar accordingly.</li> <li>• As the curriculum in the department mainly comprises of numerical papers, hence numerical questions are given to the students to be practised in the class as well as at home. As regards home assignments, only one assignment is given per semester which is then evaluated for continuous assessment.</li> <li>• As regards departmental activities, only 3 to 4 activities are conducted per semester. As regards class activity, faculty members can be communicated to restrict the number.</li> <li>• The department has limited use of latest teaching learning aids as majority papers are numerical-based. Such papers need more use of blackboard teaching for better clarity of concepts and understanding of the steps involved in solving the questions. However some of the teachers in professional courses have been using latest teaching learning aids such as Kahoot, padlet etc. But as suggested by the students, the department shall try to incorporate more usage of latest teaching learning aids.</li> </ul>
<b>Business Studies</b>	<ul style="list-style-type: none"> <li>➤ Industrial /field visits have been planned and included in the Departmental Activity calendar in the session 2019-20 and would be implemented after taking due permission from the Vice-Chancellor.</li> </ul>
<b>CS &amp; IT</b>	<ul style="list-style-type: none"> <li>➤ The compiled students' feedback as received from IQAC suggested that more practicals should be added in the curricula. Department of CS &amp; IT is running practical based papers in all the semesters. In the meeting of Board of Studies held on 2<sup>nd</sup> March 2019, the following updations have been approved and implemented in BCA course: <ul style="list-style-type: none"> <li>• Usage of Google Productivity apps that let you create different kinds of online documents, work on them in real time with other people, and store them in your Google Drive online.</li> <li>• The syllabi of Mobile Application Development, Testing tools are updated as suggested by industry experts.</li> </ul> </li> </ul>

(Sems.V&amp; VI) &amp; the PG (Sems. III &amp; IV) level - has full papers dedicated to Indian Writing in English as well as works in translation which form part of the paper on World Literature.</li> <li>• Inclusion of African and Canadian Literature as well as Cultural theories With this session onwards, the current batch of first year students will be exposed to more of the above mentioned, especially at the PG level wherein new writers and texts have been introduced in Sem. III. Cultural theories, however, form part of Culture Studies which, at the moment, is not offered in the Department as a separate course. However, it will be proposed in the next BOS Meeting and the necessary modalities worked therein.</li> <li>• More Workshops/ Seminars/ Guest Lectures</li> </ul> <p>The Department endeavours to regularly organise these and ensures at least two such activities in a month. In addition, the eclectic activities of its Readers' Club - open for all to attend and participate in - offer the much-needed exposure to students, both in terms of theory and praxis.</p>
<p><b>Fashion &amp; Textiles</b></p> <p><i>Rajeev</i> Registrar</p>	<ul style="list-style-type: none"> <li>• The Department has been organizing career counseling sessions in the past. In this regards, we keep on inviting industry experts and alumnae and organize interactive sessions, where in the students put up their queries and seek guidance from the experts. In session 2018-19, we had the pleasure of having Ms. Anshika Sharma, Fashion Designer from Jaipur.</li> <li>• For the session 2019-20, department has planned two career counseling sessions in the month of September'19 and March'20 for which we are already in words with some industry experts. (Like Ms. Nandani Kumar, Mumbai, Ms. Anu Jain, Ms. Aruna Singh, etc. to name a few)</li> <li>• Our Undergraduate course B.Sc. Fashion Design offers four illustration practical papers and two CAD papers in all six semesters. Due to curriculum structure we cannot add more practical papers on illustrations as other papers also have equal importance in the course. Though time and now we conduct activities and competition where the students are encouraged to show their creative skills and illustrations, other than the curriculum as well.</li> </ul>

<b>Management (HRM&amp;IB)</b>	<p>➤ Following action has been taken on the basis of student's feedback compiled by IQAC-</p> <ul style="list-style-type: none"> <li>• Activity calendar has been prepared for the academic session 2019-20 which includes industrial/field visits, workshops, guest lecturers etc. (Activity calendar attached)</li> <li>• From this academic session two new practical papers have been introduced for MBA students related to Training &amp; Development and Community Engagement services. (Syllabus attached).</li> <li>• English lab classes have been scheduled for students weak in English.</li> <li>• Oral component has been introduced in French/German language paper of MBA IB students.</li> </ul>
<b>Management Studies</b>	<p>➤ The department has organized one day visit to FORHEX FAIR- 2019 for students of BBA semester V- Global Business discipline elective and students of BBA semester I has been sent to attend Chat Youth Summit 2019. The department will be organizing more visits to industries in this session.</p>
<b>Political Science</b>  	<p>➤ A feedback was received by the Department of Political Science regarding curricula/activities in the Department, compiled by the IQAC. The feedback contained the suggestion to conduct more visits to the Parliament and the State Legislative Assembly. In this regard, the following points are highlighted by the Department.</p> <ul style="list-style-type: none"> <li>• The Department has so far conducted such visits twice which</li> </ul>

	<p>were well received by the students.</p> <ul style="list-style-type: none"> <li>• Although we get all necessary support and encouragement from the University to conduct such visits, it is still not an easy task as these are the highest legislative organisations of the country and require many formalities related to security and other issues.</li> <li>• The sessions of these assemblies sometimes coincide with the examination schedules in the University which limits our attempts to conduct such visits.</li> <li>• The Department, despite these constraints, has been more than willing to conduct such visits. One such attempt was made at the beginning of this session also which could not materialise and the programme is postponed until the next session of the Assembly.</li> </ul>
<b>Psychology</b>	<p>➤ Following the feedback received from students that the Dept. of Psychology should organize more career counselling sessions in the Department, the same has been taken into consideration and guest lectures and sessions on Career Counselling have been incorporated in the Activity Calendar of the Dept.</p>
<b>Sociology</b>	<p>➤ The department has been organizing one rural field visit for undergraduate students and two rural field visits and one field visit to an NGO for the post graduate students. The department proposes to organize field visits as follows:</p> <ul style="list-style-type: none"> <li>• September, 2019: Rural field visit for students of UG&amp; PG</li> <li>• January, 2020: Rural field visit for students of UG&amp; PG</li> <li>• February, 2020: NGO visit for students of UG&amp; PG</li> </ul>

### **Analysis and Action-Taken for Compliance**

Stakeholder-Feedback for design and review of syllabi is sought every year from the Teachers, by the respective Departments, and presented for discussion at the time of the meeting of the Boards of Studies for necessary action towards curriculum design and development.
