

## IIS (deemed to be University), JAIPUR

### YEAR WISE NUMBER OF APPLICATIONS, STUDENTS AND REVALUATION CASES

IIS (Deemed to be University) does not have a system of revaluation of answer copies as it follows a system of Double Evaluation where each answer copy is assessed by two examiners, Internal as well as external. If the difference of marks awarded by these examiners is less than 20%, an average of the marks awarded by these two examiners is taken out and the same is awarded to students as their final marks in that particular paper. If the difference of marks awarded by these two examiners is 20% or more, the answer copy is assessed by a third examiner and an average of marks of the closest two awards (out of three evaluations) is awarded to the students as their final marks in that paper. This helps in eliminating evaluation inconsistencies or subjective bias.

Besides, the answer copies once assessed, are thoroughly scrutinized at two levels during central evaluation:

- a) Physical Scrutiny of Answer copies
- b) Scrutiny of Awards

Two separate committees are constituted for this purpose. The answer copy scrutiny committee ensures that no question is left unassessed by the examiner(s); any such case is immediately rectified. The awards scrutiny committee scrutinizes the awards posted by examiners on the flap of the answer copy as well as on the OMR award sheet. Any error, if found, is brought immediately to the notice of the examiners who rectify the error.

Though there is no system of revaluation, there exists a provision of showing assessed answer copies to students for which they have to apply within a week of result declaration. If the student finds totaling error or unassessed answer, the same is rectified. In case of dissatisfaction of the students appropriate action is taken in the matter including revaluation of the Answer copies. **So far, all students who have seen their answer copies have been satisfied with the marks awarded to them and no evaluation error was found.**

Respected Ma'am

Subject:Request for marks rechecking in CA Exam 601 from Yellow booklet UG VI Sem result.

We have recently been provided our results for UG VI Sem.,April 2020 on 19.08.2020.I observed a discrepancy in my marks in CA for GEO 601(Geography Methodology).The faculty incharge for the same were Dr.R.S Vijeywergiya.

With due respect,I request for the marks rechecking in CA Exam from the yellow booklet and correction for the same to avoid any future discrepancies.

Thanking you in anticipation.
