

Progress in University's involvement in Extension Activities over the years

The IIS (Deemed to be University), Jaipur has always kept an upfront approach in its contribution towards society. It ensures regular engagement of its students and faculties with the society through activities that aim at their mutual development. Such activities not only contribute towards the social upliftment of the society but also help the students to contribute as more responsible citizens of the society. Through such endeavors, the students are sensitized towards contemporary social issues, and hence, gain an opportunity to serve society not only during their tenure in the University but throughout their life.

For this purpose, the University has constituted various committees like NSS, NCC, CII Yi, Theatrical Society, Rotary Club, Rotaract Club, Centre for *Swaccha Bharat Swastha Bharat, Unnat Bharat Abhiyan*, and Extension Committees. Through these committees, the students are involved year-round on a massive scale in different social outreach activities. As the students are involved in more than one activity in a year, hence, there is more than 100 percent involvement of students in such activities in the assessment period 2015 – 20.
