

## **5.1.2**

# **Additional Information (Students Benefitted by Career Counselling through Departmental Orientation)**

### **Students Benefitted by Career Counselling through Departmental Orientation**

IIS (Deemed to be University), Jaipur organises an Orientation Programme “Abhinandan” for the First Year students of Undergraduate, Postgraduate and Ph.D. Programmes on regular basis to provide a platform for interaction between parents and teachers on vital issues like the need for new courses, improvement in the existing programmes, augmentation of infrastructure- related facilities , addressing students' problems, eliciting feedback and for seeking parents' support for various University activities.

To provide a deep understanding of the emerging trends of the subject/elective opted by them and career opportunities therein, different Departments/Disciplines of the University also organise Orientation Sessions in small groups. In these sessions-

- Students are guided on various Career opportunities of the subjects/electives offered by the Department for persuing higher education.
- They are also provided with a complete information i.e. eligibility, suitable time to fill in the form etc. and guidance to qualify various competitive examination related to the programme in which they may appear after the completion of their degree
- Students are also provided an information on new courses and core skills needed to persue them from India and Abroad.
- They are also informed in these sessions about the Placement and training cells who conducts training workshops regularly to upgrade their personal profile with different skills in both the academic and non-academic fields.
- They are guided to identify their interests and advise them to develop critical thinking, problem solving skills and enhance multi-disciplinary skills as blended learning.
- They are briefed about the psychometric assessment done at the University’s Career counselling and Development cell

Students benefitted by career counselling through departmental orientations in various programmes in the last five years are as given below in the table:
