  
**THE IIS UNIVERSITY**  
deemed to be a university under section 3 of UGC Act, 1956

Date: 25<sup>th</sup> May, 2016.

Director,  
Ministry of New & Renewable Energy Sources  
Block No. 14, CGO Complex  
Lodi Road, **NEW DELHI-110003**

Sub:- Design supply, Installation - Commissioning of 75 KWP Grid Interactive Power Plant at  
The IIS University Campus building under The IIS University Trust at Jaipur.

Dear Sir,

In reference to subject cited above the utility of SPV systems was brought to our notice by M/s Rajasthan Electronics and Instruments Limited Jaipur. M/s Rajasthan Electronics and Instruments Limited had also briefed us about the Central Financial Scheme of MNRE. We are willing to install 75 KWP Grid Interactive SPV Power Plant at our various buildings under Central Financial Assistance provided by MNRE as per details mentioned below.

S. No.	Site Description	Proposed Grid connected Solar PV Power Plant	Unit Price (Rs. in Lacs)	Subsidy from MNRE (Rs. in Lacs)	Net cost to beneficiary (Rs. in Lacs)
1.	On the roof top of The IIS University campus, Gurukul Marg, SFS Mansarovar, Jaipur.	75 KWP capacity	59.61	17.88	41.73

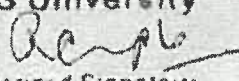

The total cost of the 75 KWP Grid Interactive SPV Power Plant would be Rs. 59.61 lacs. Out of the total cost, Rs 17.88 lacs would be covered under CFA (as per MNRE guidelines). The IIS University is ready to bear balance cost i.e Rs 41.73 lacs/- (if MNRE provides Central Financial Assistance and sanction the project to REIL).

In view of above, we request your goodness to kindly sanction the project.

Warm regards,

For The IIS University,

**The IIS University**
