Date: 24/02/2022

Time and duration: 10:30am-3:00 pm

Venue: Back Stage

Topic on which activity was organised: Integrated Approach in Science and Technology for Sustainable Future

Number of Participants: Students 62 Faculty 13

Objective of the Workshop/Seminar/Activity:

To create innovative ideas about science among students

Overall Report of the activity:

On the occasion of Azadi ka Amrit Mahotsav, IIS (deemed to be University) celebrated “Vigyan Sarvatra Pujayte” Celebration week from 22 to 28 February 2022 on the theme integrated approach in science and technology for sustainable future under which a poster and model exhibition was organized by the disciplines of mathematics, statistics and geography on 24th February 2022. 62 students participated in the exhibition. They contributed their ideas in the form of posters and models. All posters and models were very attractive and meaningful. It was really a memorable event.

Outcome: Students learnt various aspects of application of science for an Integrated Approach for Sustainable Future.
