About IIS (deemed to be University), Jaipur

IIS (deemed to be University), Jaipur is among the pioneers in Rajasthan in imparting high quality education to women in different streams. It is known for excellence in delivering value-based education to students and encourages them to think innovatively in different walks of life. It particularly focuses on preparing students to become world ready citizens, who are abreast to take any professional and social challenges with an educated and empowered mind.

With over 5000 students and more than 233 staff members, the University offers UG, PG and Doctoral programmes in Arts, Science, Commerce, Home Science, Management and Computer Science & IT. Established in 1995 as the international college for girls, affiliated to the University of Rajasthan, the college has crossed significant milestones in its journey towards excellence in higher education. Besides was accredited by NAAC of UGC, recognized as a college with potential for Excellence (CPE) by the UGC and selected as a model college by the state government.

With the grant of memberships of the Association of Indian Universities (AIU), the Association of Common wealth Universities (ACU) and of Association of Universities of Asia and the Pacific (AUAP) along with the grant of 12-B Status by the UGC, accreditation by NAAC-UGC in 2014, the University is committed to achieving even higher standards in the field of higher education.

The department of Chemistry, The IIS University, offers UG, PG and research programs. The department has organized a number of national and international seminars, conferences and workshops in various contemporary topics of chemistry which has been supported by different funding agencies like UGC, DST, CSIR, BRNS etc. The faculty and research scholars of the departments have published numerous research papers in journals of National and International repute.

ABOUT ACT

Association of Chemistry Teachers (ACT), established in 2000 is in its 20th year of dedicated service to the academic community. ACT is at the forefront of innovation in Chemistry education through its manifold activities-national and international conferences, symposia and training workshops for teachers, students, researchers and industry chemists. The annual National Convention of Chemistry Teachers (NCCT), Concept test in Chemistry for undergraduate students, Celebration of National Chemistry Day on December 10 and publication of a newsletter are some of the regular activities. Chemistry Popularisation workshops have been organized in

collaboration with Royal Society of Chemistry, London, UK and DST, New Delhi. ACT is involved in the Indian National Chemistry Olympiad programme and gives academic support to a peer reviewed Chemistry journal, GP Globalize Research Journal of Chemistry (ISSN 2581 5911)
